

Las Vegas, Nevada, April 23, 2021

FirstShot Centers, LLC“ FirstShot has been approved to list FirstShot Tokens for trading on Cryptosx.The ticker for FirstShot is FST.

FirstShot’s goal is to create brand awareness and to enhance token value. Accordingly, it chose Cryptosx Digital Asset Exchange in the Asia Pacific marketplace to trade its digital securities, using Ethereum blockchain technology. With a dynamic population and generally high levels of technological adoption, countries in the Asia Pacific region have seen significant volumes of cryptocurrency trading relative to other parts of the world. There are approximately 2 billion internet users in the Asia Pacific compared to approximately 400 million in North America. Cryptosx is the gateway to the Asia Pacific for FirstShot Tokens. FirstShot also intends to apply for listing on a cryptocurrency exchange located in the United States in the coming year. The FirstShot Tokens are a USD \$100 million STO, secured by the underlying investment assets for a 3 year term with 10% interest, payable quarterly and 10% royalty in gross sales in perpetuity.

FirstShot’s business model is to acquire and manage vacant shopping centers and big box stores throughout the United States. These properties are to be repurposed to entertainment and themed centers for a specialized business sector with a revenue generating strategy in place. Competition from online shopping sites have contributed to the square footage equivalent of more than 10,000 empty and available malls and big box stores. Distressed purchase prices can be a fraction of replacement costs.

FirstShot Centers, LLC is a private company headquartered in Las Vegas, Nevada. For additional information email brian@firstshotcenters.com or go to www.firstshotcenters.com
